- Comprehensive understanding of Network Engineer.

WORK EXPERIENCE

- 1 Year

INDUSTRIAL TRAINING

- **AWS with DevOps Training** from MU Computer Mind Edutech Pvt. Ltd (Kanpur)
- **CCNP(Routing & Switching) Training** from MU Computer Mind Edutech Pvt. Ltd (Kanpur)

ACADEMIC TRAINING

- **B.C.A. senior year student** form C S J M University Kanpur Uttar Pradesh in **2022-2025**
- **12th** completed from **UP Board** in **2022**.
- **10th** completed from **UP Board** in **2020**.

TECHNICAL SKILLS

AWS WITH DEVOPS TOOLS

- EC2, VPC, RDS, ELB(Elastic Load Balancer), S3 Bucket, Route53, Elastic Beanstalk, Cloud Front, Cloud Watch, Load Balancing, and DNS management using Route53.
- Container Management using Kubernetes, Containerization using Docker, Setting up Code Versioning using GIT.

ROUTING

- Configure of Cisco Router.
- Configure and Troubleshooting of Routing Protocol: Static Routing Protocol, Default Routing protocol, RIP, OSPF, EIGRP.
- Knowledge of BGP
- Cisco router and switch password recover.
- NAT (Static, Dynamic & PAT).
- Knowledge of IP Addressing IPV4 & IPV6.

SWITCHING

- Configure Cisco Switches.
- VLAN setup in cisco switches.
- Knowledge of VTP (Dot 1q & ISL) STP & RSTP
- Port Aggregation (Ether Channel)

NETWORKING

- Configure Managing & Maintaining Networking Equipment.
- IP Address & Subnetting Routing Concept.
- Install & Configured RDP (REMOTE DESKTOP PROTOCOL).
- Maintain Cabling.
- Network Device.
- Network Developing.

WINDOWS

- ACTIVE DIRECTORY MANAGEMENT, DISK QUOTA MANAGEMENT, Window Deployment Service
- Knowledge of IIS SERVER, DHCP, DNS
- Install & Configured VPN (Virtual Private Network)
- Configuration Server-2012 R2, 2022
- Windows Installation and Configuration 10,11

STRENGTH

- A passion to learn and increase my skills.
- Highly Motivated. Always on time.
- Excellent written and oral communication skills.
- Trustworthy.
